CHANGE OF INSURANCE CARRIERS

If you are not in Active Employment due to injury or sickness on the effective date of the Employer's coverage under our Policy, and you were covered under the Employer's prior group policy of critical illness or specified disease insurance at the time the Employer's coverage under our Policy became effective, we will provide continuity of coverage under our Policy. In order for this provision to apply, the prior policy's coverage must be similar to our Policy.

Coverage under this provision will begin on our Policy effective date and will continue until the earliest of the following:

- The date you return to Active Employment.
- The end of any period of continuance or extension provided under the prior policy.
- The date coverage would otherwise end, according to the provisions of our Policy.

- Fewer than 25 persons are insured under the Policy.

- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all classes covered under the Policy if any class(es) ceases to be covered.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, Written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by Written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

You may not increase the continued coverage amount. Continued premium payment is required to keep coverage in force. Premiums will be billed directly to you. The initial premium will be based on the portability premium rates in effect at the time you are eligible to continue your coverage under this provision. We may change the portability premium rates at any time upon 60 days Written notice to you.

The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the Policyholder's grace period, the Policy will remain in force. If the full premium payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance Written notice of termination, or if we have given the Policyholder advance Written notice of termination as described under the POLICY TERMINATION provision.

If you are continuing your coverage under the PORTABILITY provision, you have a grace period of 31 days for the payment of any premium due. During your grace period, your coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to you that if the premium is not paid by the end of the grace period, all coverage will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to you, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES

All statements made by the Policyholder and you are considered representations and not warranties.

INCONTESTABILITY

We will not use any statements made by you to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written application or enrollment form relating to your insurability. Except for fraud, we will not use such statements to contest insurance after it has been in force for two years from its effective date. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date if permitted by applicable law in the governing jurisdiction. The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR

Clerical error or omission by the Policyholder or us will not:

- Prevent you from being covered, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.
- End insurance validly in effect.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE

If premiums are based on your age and you have misstated your age, then your correct age will be used to determine if any insurance is in effect and, as appropriate, the premium and/or benefits will be adjusted. We may require satisfactory proof of your age before paying any claim.

MISSTATEMENT OF TOBACCO USE STATUS

If premiums are based on your tobacco use status and you have misstated your tobacco use status, then your correct tobacco use status will be used to adjust the premium and/or benefits as appropriate. The amount payable at the time of claim will be the amount that the premium would have purchased using the correct tobacco use status. During the first two years your coverage under the Policy is effective, we will make this adjustment instead of contesting your insurance for this misstatement.

ASSIGNMENT

No assignment of benefits under the Policy is valid unless otherwise specified in the Policy.

CHANGE OF BENEFICIARY

While your coverage is in force, you may change the beneficiary for any benefits payable for loss of life by written request on a form that is acceptable to us. A beneficiary designation form is available from the Policyholder or us. An accepted designation will take effect as of the date it is signed, unless you specify otherwise in the signed designation, but will not affect any payment we make or action we take before receiving the signed form. If an irrevocable beneficiary is named, the beneficiary designation can only be changed with the consent of the irrevocable beneficiary.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the governing jurisdiction is automatically amended to conform to the minimum requirements of such law.

ENTIRE CONTRACT; CHANGES

The entire contract consists of all of the following:

- The Policy issued to the Policyholder including Part A and Part B.
- The Certificate(s) which are made part of Part B under the Policy.
- Any endorsements and/or riders issued.
- The Policyholder's signed application, a copy of which is attached to the Policy when issued.

The Policy may be amended at any time by written agreement between us and the Policyholder. No change in the Policy will be valid until approved by one of our executive officers. Such approval must be in writing and will be endorsed or attached to the Policy. Changes requiring regulatory approval will not be valid until approved by the appropriate regulatory body.

No agent, representative or employee of ours or of any other entity may change or waive the terms of the Policy, or of any Certificate or rider issued under it, except in writing signed by one of our executive officers and endorsed on or attached to the Policy.

The Policyholder may not change benefits, limit coverage or otherwise restrict participation until the Covered Persons or enrollees have been notified of any changes, limitations or restrictions.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on the SCHEDULE OF BENEFITS if you are diagnosed with a Critical Illness on or after your coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on the SCHEDULE OF BENEFITS.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of this certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on the SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable to you for each Critical Illness in the Certificate during your lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your coverage (including all riders) terminates.

A diagnosis of Stroke must be made by a neurologist or a Doctor familiar with the diagnosis of Stroke, or as indicated by an autopsy report or a death certificate.

If you are on the UNOS (United Network for Organ Sharing) list for a combined transplant, only one Major Organ Transplant benefit will be payable for the diagnosis. Acceptance on the UNOS list is not required in the case of kidney failure. The "date of diagnosis" for this benefit will be the later of the following:

- The date of diagnosis of the Critical Illness, if it is determined you are not healthy enough to be placed on the UNOS list or you are rejected from the list.
- The date you are placed on the UNOS list for a combined transplant.
- The date of your transplant if the UNOS list requirement was waived.

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us Written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Once a claim has been approved, we will make payment as soon as possible, but no more than 60 days after receipt of proof of claim. If any benefits are payable for loss of life, they will be paid in accordance with the beneficiary designation for such benefits and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, benefits payable for loss of life will be paid to your estate. Any accrued benefits unpaid at your death will be paid to your estate. All other benefits will be paid to you.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

If your Spouse is covered under the Policy as an Employee, then your Spouse is not eligible for coverage under this rider.

ENROLLMENT

If you have a Spouse eligible for Spouse coverage, you must enroll for any Spouse coverage before it will become effective. The Employer or we will provide you with the forms or information needed to complete your enrollment. You may enroll for Spouse coverage when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us.

EFFECTIVE DATE OF COVERAGE

Your Spouse will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Spouse is eligible for coverage, if you enroll for Spouse coverage on or before that date.
- The date you enroll for Spouse coverage.
- The July 1st that is on or next follows the last day of an annual enrollment period, if you enroll for Spouse coverage during an annual enrollment period chosen by the Employer and approved by us.

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

- The date your Critical Illness insurance terminates. See the MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE provision below if termination is due to death or regarding Spouse coverage previously continued by your Spouse.
- The date coverage under this rider is terminated for all Active Employees under the Policy. See the PORTABILITY provisions below regarding Spouse coverage previously continued by you or your Spouse.

- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates.
- The last day of the month during which you voluntarily cancel coverage under this rider.
- The last day of the month during which your Spouse is no longer an eligible Spouse as defined by this rider. See the MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE provision below.
- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision in the Certificate.
- The date your Spouse's total maximum benefit amount has been paid for all Critical Illnesses.

We will pay benefits for a loss that occurs while your Spouse is insured under this rider even if the rider has since terminated.

PORTABILITY

If you maintain your coverage under the Certificate's PORTABILITY provision, then your Spouse's coverage under this rider may also be maintained at the same time. Continued premium payment is required to keep your Spouse's coverage under this rider in force. You may not increase the maintained Spouse coverage amount. Maintained Spouse coverage under this provision is subject to all the terms of this rider.

MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse may elect to maintain Spouse coverage under this rider if certain conditions are met. Upon your Spouse's request, the Employer will provide your Spouse with information about the cost of maintaining coverage under this provision and how to elect continuation. Your Spouse must have been insured under this rider on the date of your death or divorce, and your Spouse must elect continuation and pay the first premium within 90 days of the date of your death or divorce.

Your Spouse may decrease the maintained Spouse coverage amount based on the amounts available on this rider's SCHEDULE OF BENEFITS. Your Spouse may not increase the maintained Spouse coverage amount. Coverage maintained under this provision is subject to all the terms of this rider.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time your Spouse becomes eligible for continuation. We may change the premium rates at any time upon 60 days Written notice to your Spouse.

Coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Spouse, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse's total maximum benefit amount has been paid for all Critical Illnesses.

- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days Written notice of termination.

GRACE PERIOD

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate's PORTABILITY provision.

If your Spouse is continuing coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision, your Spouse has a grace period of 31 days for the payment of any premium due. During this grace period, your Spouse's coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Spouse's coverage was in force during the grace period.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Spouse is diagnosed with a Critical Illness on or after your Spouse's coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS.

The benefits for your Spouse are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy, may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness in this rider during your Spouse's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount for your Spouse has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your Spouse's coverage under this rider terminates.

Payment of any benefits for your Spouse's Critical Illness will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Spouse's Critical Illness coverage as long as your coverage remains in force.

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Spouse to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require your Spouse to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS.

Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any benefits payable for loss of life will be paid according to the BENEFIT PAYMENTS provision in the Certificate. Any other accrued benefits unpaid at your death will be paid to your estate. All other benefits under this rider will be paid to you.

For MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits unpaid at your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Employee, then only one but not both may cover the same Children under this rider. If the parent who is covering the Children stops being insured as an Employee then the other parent who is insured as an Employer may enroll for Children's coverage under this rider within 60 days.

Once a claim for Employee benefits under the Policy has been approved, you are not eligible for any new, increased or additional Children's coverage. Once a claim for Child benefits under this rider has been approved, you are not eligible for any new, increased or additional Children's coverage.

ENROLLMENT

If you have a Child or Children eligible for coverage, you must enroll for any coverage before it will become effective. You may enroll for Children's coverage when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us. The Employer or we will provide you with the forms or information needed to complete your enrollment.

EFFECTIVE DATE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the later of the following dates:

- The date your Employee coverage is effective.

If an adopted newborn Child is placed with you within 30 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 30 days after birth, the "event" will be the date of placement. No additional premium is required.

If you have Employee coverage but you do not have Children's coverage under this rider, and you acquire a new eligible Child due to birth, your eligible newborn Child is automatically covered under the terms of this rider for the first 30 days after birth. This includes an adopted newborn Child who is placed with you within 30 days of birth. Child coverage beyond the 30th day is subject to the conditions regarding application and Active Employment and having no approved Employee claims under the Policy.

- The date of the increased or additional coverage, if you are in Active Employment.

- The last day of the month during which last day of the calendar year during which the Child is no longer an eligible Child as defined by this rider. We will pay benefits for a loss that occurs while your Child is insured under this rider even if this rider has since terminated.

PORTABILITY

If you maintain your coverage under the Certificate's PORTABILITY provision, then your Children's coverage under this rider may also be maintained at the same time. Continued premium payment is required to keep your Children's coverage under this rider in force. You may not increase the maintained Children's coverage amount. Maintained Children's coverage under this provision is subject to all the terms of this rider.

MINNESOTA CONTINUATION FOLLOWING DEATH

If you die while this rider is in force, Children's coverage can be maintained if certain conditions are met. Your Children must have been insured under this rider on the date of your death. Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to your death.

If your Spouse has elected Minnesota continuation under the Spouse Critical Illness Rider, then your Spouse may also elect continuation of this Children's Critical Illness Rider at the same time. If you do not have an eligible Spouse insured under the Spouse Critical Illness Rider at the time of your death, then each eligible Child insured under the Children's Critical Illness Rider may elect Minnesota continuation and pay the first premium within 90 days of the date of your death.

Upon request of your Spouse, Child or the Child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to your Spouse, Child or Child's legal guardian. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Child becomes eligible for this continuation. We may change the portability premium rates at any time upon 60 days Written notice to your Spouse, Child or Child's legal guardian.

If your Spouse or the Child's legal guardian dies while a Child's coverage is in force under this provision, then the Child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the Child's coverage under this provision.

Each Child's coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Child according to this rider's TERMINATION provision.
- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse's coverage under the Spouse Critical Illness Rider terminates.
- The last day of the month during which there are no longer any eligible Children as defined by this rider.
- For each Child, the date your Child's total maximum benefit amount has been paid for all Critical Illnesses and Additional Child Diseases.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days Written notice of termination.

MINNESOTA CONTINUATION FOLLOWING DIVORCE

If you divorce and your former spouse has elected Minnesota continuation under the Spouse Accident Rider, then this Children's Accident Rider can be maintained under your former spouse's coverage for each child whose coverage would otherwise terminate due to the divorce. Upon your former spouse's request, the Employer will provide your former spouse with information about the cost of maintaining coverage under this provision and how to elect continuation.

Premiums will be billed directly to your former spouse. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your former spouse.

If your former spouse dies while a child's coverage is in force under this provision, then the child or their legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

Each child's coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the child according to this rider's TERMINATION provision.

- The end of the period for which premiums are paid for the child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the child becomes covered under any group accident policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD

If your Child's coverage under this rider would otherwise terminate because the child no longer meets the definition of Child in this rider, for a reason other than your death or divorce, then the child can elect to maintain Child coverage under this rider for a period of time. The child (or the child's legal guardian) must elect continuation and pay the first premium within 90 days of the date of loss of eligibility.

Upon request of the child or the child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to the child or child's legal guardian as applicable. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to the child or child's legal guardian as applicable.

If the child's legal guardian dies while the child's coverage is in force under this provision, then the child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

A child's coverage maintained under this provision will end on the earliest of the following:

- 36 months after the date continuation under this provision started.
- The date coverage would otherwise terminate for the child according to this rider's TERMINATION provision.
- The end of the period for which premiums are paid for the child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the child becomes covered under any group critical illness or specified disease policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

GRACE PERIOD

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate's PORTABILITY provision.

If your Spouse is continuing Children's coverage under the PORTABILITY FOLLOWING DEATH provision, your Spouse has a grace period of 31 days for the payment of any premium due. During this grace period, your Children's coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Children's coverage was in force during the grace period.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Child is diagnosed with a Critical Illness or an Additional Child Disease on or after your Child's coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS. Benefits are payable for each covered Child.

The benefits for your Children are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate. Benefits for the Additional Child Diseases module are shown below.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness or Additional Child Disease that is for the same illness/condition as a Critical Illness or Additional Child Disease for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness and Additional Child Disease. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness and Additional Child Disease in this rider during your Child's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness or Additional Child Disease.

When the total maximum benefit amount for a Child has been paid for a Critical Illness or Additional Child Disease, no further benefits are payable for that Child for that Critical Illness or Additional Child Disease. When the total maximum benefit amount for a Child has been paid for all Critical Illnesses and Additional Child Diseases, no further benefits are payable for that Child. When the total maximum benefit has been paid for all Children for all Critical Illnesses and Additional Child Diseases, no further benefits are payable and your Children's coverage under this rider terminates.

Payment of any benefits for your Child's Critical Illness or Additional Child Disease will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Child's Critical Illness coverage as long as your coverage remains in force.

A diagnosis of any Critical Illness or Additional Child Disease must be made after your Child's live birth and by a Doctor familiar with the diagnosis of the specific condition.

ADDITIONAL CHILD DISEASES MODULE

Benefits for Cerebral Palsy, Congenital Birth Defects, Cystic Fibrosis, Down Syndrome, Gaucher Disease, Type II or III, Infantile Tay Sachs, Niemann-Pick Disease, Pompe Disease are payable when we receive due proof of such condition which is diagnosed on or after your Child's coverage effective date (including the effective date of any changes to coverage).

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your Child's attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us Written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Child to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any benefits payable for loss of life will be paid according to the BENEFIT PAYMENTS provision in the Certificate. Any other accrued benefits unpaid at your death are payable to your estate. All other benefits under this rider will be paid to you.

For MINNESOTA CONTINUATION FOLLOWING DIVORCE, benefits will be paid to your former spouse, and any accrued benefits unpaid at your former spouse's death will be paid to your former's spouse's estate. For MINNESOTA CONTINUATION FOLLOWING DEATH or MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD, benefits will be payable to the person responsible for premium payments for that child, and any accrued benefits unpaid at that person's death will be payable to that person's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your Children's coverage.

That amount will reduce or stop according to the Certificate and riders in effect on the date Total Disability began. Premiums that are waived are not deducted from any proceeds that may become payable.

Continued Critical Illness insurance includes the following if effective on the date before your Total Disability began:

- Critical Illness insurance.

Continued Critical Illness insurance does not include:

- the Spouse Critical Illness Insurance Rider.
- the Children's Critical Illness Insurance Rider.
- any continuation rider(s).

Any rider or coverage that is not eligible for waiver of premium under this rider will terminate on the date that coverage would otherwise end due to your termination of Active Employment.

Continued insurance is subject to all other terms of the Policy.

CONDITIONS FOR WAIVER OF PREMIUM

All of the following conditions must be met in order to waive premiums:

- Total Disability begins before your 60th birthday.
- You are covered under this rider on the date your Total Disability begins.
- You are continuously Totally Disabled for the entire Waiting Period. Premiums due during the Waiting Period are subject to the continuation provision(s) of any riders.
- All premiums due for Critical Illness insurance and this rider are paid to us through the date we approve your claim for waiver of premium or the date the continuation period under any rider ends, whichever is earlier. Premiums due are payable by the Policyholder or you as applicable.
- You provide notice of claim and proof of Total Disability to us as described below.

NOTICE OF CLAIM AND PROOF OF TOTAL DISABILITY

You must send us written notice of claim while you are living, while you are Totally Disabled, and within 12 months of the date your Total Disability begins. Failure to give notice within 12 months will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of your Total Disability. Proof of your Total Disability includes information from your Doctor, at your expense, regarding your condition and your inability to work. We may require additional information from the Employer in order to verify eligibility. We may also require you to be interviewed by our authorized representative. Proof of your Total Disability, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). Claim forms are available from the Employer or us.

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are Totally Disabled. Any second medical opinion may include a physical examination by a Doctor or other medical practitioner of our choice. In the case of conflicting medical opinions, Total Disability will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

EFFECTIVE DATE OF WAIVER OF PREMIUM

When we approve your claim, premiums are waived as of the date after the Waiting Period ends. We will refund any unearned premiums we receive to the Policyholder or to you, as appropriate. We will notify you in writing when your claim is approved.

We will notify you and the Employer if we deny your claim.

If we approve a claim for which notice of claim was provided to us more than 12 months after the date your Total Disability began, then any refund of unearned premiums will not exceed 12 months of premiums dating back from the date the notice of claim was received by us.

After your claim is approved, we may periodically request additional proof of your continuing Total Disability, but not more frequently than once every six months.

TERMINATION OF WAIVER OF PREMIUM

We will stop waiving premiums on the earliest of the following dates:

- The date you are no longer Totally Disabled.
- The date you do not give us proof of Total Disability as requested.
- The end of the 24 month period during which your premiums are waived.

If premiums are no longer waived, insurance under the Policy will stay in force only if all of the following conditions are met:

- Critical Illness insurance is in force for Insured Persons under the Policy; and
- You are in an eligible class for coverage under the Policy; and
- Your premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your premium payments are resumed.

You will not be eligible for portability under the Certificate's PORTABILITY provision on the date we stop waiving your premiums.

Except for the LEGAL ACTION provision, the CLAIMS section of the Certificate does not apply to this rider.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
 - A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
 - If the person is provided coverage by the guaranty association of another state.
 - Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
 - Employer and association plans, to the extent they are self-funded or uninsured
 - A policy or contract providing any health care benefits under Medicare Part C or Part D
 - An annuity issued by an organization that is only licensed to issue charitable gift annuities
 - Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
 - Any policy of reinsurance unless an assumption certificate was issued
 - Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).
-

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

California Life and Health Insurance

California Department of Insurance
Consumer Communications Bureau

Los Angeles, CA 90013
(800) 927-4357

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.

SPECIFIED DISEASE COVERAGE

**THE CERTIFICATE PROVIDES LIMITED BENEFITS
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER MEDICAL EXPENSES**

OUTLINE OF COVERAGE FOR IDAHO RESIDENTS

THIS CERTIFICATE IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the "Guide to Health Insurance for People With Medicare" available from the company.

This coverage is designed only as a supplement to a comprehensive health insurance policy and should not be purchased unless you have this underlying coverage. Persons covered under Medicaid should not purchase it.

Read Your Certificate Carefully. This outline of coverage provides a very brief description of the important features of coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR CERTIFICATE CAREFULLY!

Specified disease coverage is designed to provide, to persons insured, restricted coverage paying benefits ONLY when certain losses occur as a result of specified diseases. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

The policy provides a lump-sum benefit if a covered person is diagnosed with any of the covered illnesses/conditions listed on the Schedule of Benefits. Commonly covered conditions include: **heart attack, cancer, stroke, major organ failure, coronary artery disease, and carcinoma in situ (CIS)**. Please consult your certificate and riders for specific information about the conditions covered, how terms are used, any requirements that describe qualifying for a particular loss, and the benefit amounts. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of benefits available under the Policy.

In order for a benefit to be payable, the specified disease must be diagnosed after the covered person's coverage effective date. **A pre-existing condition exclusion or limitation may apply to a specified disease diagnosed during the first year that coverage (or an increase in coverage) is in force. Coverage may reduce based on age.** Benefit payment is contingent on proof of loss which may require additional information be provided prior to claim determination. The Policyholder may choose to have an eligibility waiting period, during which time no coverage is in force.

The exclusions that apply to all provisions for specified disease coverage are provided in the "Exclusions" section of the certificate and any riders. The "Schedule of Benefits," the Benefits section(s) and the "Exclusions" section of the certificate and any riders provide specific information about the conditions for receiving benefits and any limitations. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of the exclusions and limitations under the policy.

The eligibility requirements for a spouse and children may include age limitations, as provided in the riders. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of any age limitations under the policy.

Your coverage will continue under the policy, while the policy remains in force, as long as you continue to meet the eligibility requirements and all premiums due are paid. You may have the option to continue your coverage by direct payment of premiums to ReliaStar Life Insurance Company after you no longer meet the eligibility requirements.

The Policyholder may change the terms of the policy at any time with ReliaStar Life Insurance Company's agreement. The Policyholder or ReliaStar Life Insurance Company may terminate the policy at any time. ReliaStar Life Insurance Company reserves the right to change premiums at any time according to the terms of the policy.

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer or health maintenance organization that issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy or contract from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer or the health maintenance organization.

In addition, residents of Minnesota who purchase life insurance, annuities, health insurance, or health maintenance coverage from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer or health maintenance organization becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations.

Minnesota Life and Health Insurance Guaranty Association
3300 Wells Fargo Center
90 South Seventh Street
Minneapolis, Minnesota 55402
Telephone: (612) 322-8713

The maximum amount the Guaranty Association will pay for all policies or contracts issued on one life by the same insurer or health maintenance organization is limited to \$500,000. Subject to this \$500,000 limit, the Guaranty Association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance, health maintenance organization, and long-term care benefits, including any net cash surrender and net cash withdrawal values, \$500,000 in disability income insurance, \$250,000 in annuity net cash surrender and net cash withdrawal values, \$410,000 in the present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000, the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the Guaranty Association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association's limits you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers and health maintenance organizations licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY CONTRACT OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, HEALTH INSURANCE, OR HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY IMPAIRED OR INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL LIFE, ANNUITY, HEALTH INSURANCE, AND HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS ARE REQUIRED TO PROVIDE THIS NOTICE.

NOTICE OF PROTECTION PROVIDED BY NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).

The protections provided by the Association are based on contract obligations up to the following amounts:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of type of coverage, is \$300,000; however, may be up to \$500,000 with regard to health benefit plans.

"Health benefit plan" is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTC).

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ndlifega.org, or contact:

Financial information for an insurance company, if the information is not proprietary, is available at the same address and telephone number and on the Insurance Department website at www.nd.gov/ndins.

Insurance companies and agents are not allowed by North Dakota law to use the existence of the Association or its coverage to sell, solicit, or induce you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and North Dakota law, then North Dakota law will control.

**NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:

- Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

Individual Annuities

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
- If the person is provided coverage by the guaranty association of another state.
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. Policyholders with additional questions should first contact their member insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.palifega.org. You can obtain additional information from the Association by contacting it at the address below. You may also contact the Pennsylvania Insurance Department to file a complaint with the Pennsylvania Insurance Commissioner to allege a violation of any provisions of Pennsylvania laws and regulations relating to insurance including the law establishing the Association:

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000, but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance, and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

ADDITIONAL INFORMATION

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdlifega.org, which contains a link to SDCL Chapter 58-29C.

Information about the financial condition of insurers is available from a variety of sources, including financial rating agencies such as A.M. Best Company, Fitch Ratings, Moody's Investors Service, Inc., and Standard & Poor's. Additional information about financial rating agencies may be obtained by clicking on "Useful Links" on the website of the South Dakota Division of Insurance at www.dlr.sd.gov/insurance

The Guaranty Association is subject to supervision and regulation by the director of the South Dakota Division of Insurance. Persons who desire to file a complaint to allege a violation of the statutes governing the Guaranty Association may contact the Division of Insurance. State law provides that any suit against the Guaranty Association shall be brought in Hughes County, South Dakota.

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
